TM reserves the right to terminate the unifi Service in the event that the Customer wishes to relocate the Installation Address to any non-HSBB area.
- 6.10 Upon receipt by TM of all the supporting documents, TM shall register the Customer's application and verify and confirm availability of the Service at the Installation Address as stated in the Customer's Application Form.

7. Service Availability

- 7.1 The availability of the unifi Service at the Installation Address shall be subject to technical testing.
- 7.2 Upon receipt by TM of all the supporting documents specified in Clause 6.3 hereof, TM shall consider Customer's application and if approved, register the Customer's application and verify and confirm availability of the unifi Service at the Customer's Installation Address as stated in the Application Form.
- 7.3 In the event that the unifi Service is not available in the Installation Address, TM may inform the Customer and the Customer's application will be kept in TM's record on waiting list basis pending availability of the unifi Service at the Installation. Where the Customer's application is recorded

as on waiting list basis, TM makes no guarantee or warranty to the Customer that the unifi Service will become available at the Installation Address and TM shall not be held liable or responsible in the event that TM are unable to provide such Customer with or facilitate availability of the unifi Service at the Installation Address due to any reason beyond the control of TM.

- 7.4 In the event that the unifi Service is available at the Installation Address and if Customer's application is approved, TM shall forthwith fix an appointment for and carry out the installation of the unifi Service for the Customer in accordance with the provisions of Clause 9 hereof, unless specified otherwise in this Agreement or the terms and conditions of attached to the Application Form.
- 7.5 Upon sign off, a site survey will be conducted by TM or its appointed contractor at the Installation Address to verify and confirm availability of the unifi Service at the Installation Address. The Customer acknowledges and agrees that the installation of the relevant TM's Equipment or other equipment for the unifi Service will require several construction works. Any requirement by Customer for the installation of wiring inside any wall of Installation Address shall be at Customer's cost and engagement of external contractor for such purpose shall be Customer's sole responsibility. TM however may provide Customer with the list of its panel contractors for Customer's consideration and assessment, at Customer's own risk.
- 7.6 For avoidance of doubt, TM shall not be responsible or liable for any problem arising between the Customer and TM in its capacity as the telephone line provider (and not attributable to willful default or gross negligence of TM) that may affect the availability of the unifi Service. Customer understand that should there be any interruption or termination of the Customer's fixed telephone line account by TM, this will affect the availability of the Service in which event, TM reserves the right to terminate the unifi Service accordingly.
- 7.7 Customer is allowed to subscribe for one (1) Service per Installation Address and in any case, up to a maximum of three (3) Services for three (3) distinct installations addresses. Any requirement for Customer's subscription in excess of the aforesaid number of subscription shall be subject to TM's approval at its absolute discretion.
8. Online subscription from unifi.com.my ("Website")
- 8.1 The Customer undertakes that any representation made via the Website is legitimate and TM reserves the right to rely on the representation in order to proceed with the online subscription. TM reserves the right to make further inquiry to the applicant in the event of any uncertainty of the online representation made by Customer or its authorised representative.

- 8.2 The Customer undertakes any documentation presented for the purpose of online subscription is true, accurate, current and complete and shall be kept in TM's record and is be admissible in any court of law and conclusive documents.
- 8.3 The Customer agrees to the pre-authorized payment of RM 1 required which the amount will be credited from the credit card or debit card. The pre-authorized payment is required for all online subscription (new installation) through the Website. The RM 1 will then be refunded within 7 – 16 days to the credit/debit card account. TM will not be responsible for any fraud or misuse of the credit/debit card and all payments received are deemed legitimate upon approval by the card issuing bank.
- 8.4 Customer shall be subjected to Advance Payment (unless otherwise advised by TM) for application made through online sales interest form.
9. Installation & Account Activation
- 9.1 Unless otherwise arranged or provided to the Customer, TM and/or it's appointed contractor shall fix an appointment date with the Customer for installation of the Service at the Installation Address by TM and/or its appointed contractor, subject to the Customer confirming the readiness and availability of all the following basic equipment required for the unifi Service:
- (i) Four (4) working power sockets
 - (ii) One (1) workable unit of Computer (PC)
 - (iii) One (1) workable unit of Television (TV) (for subscription of unifi Residential Services only).
- If the Customer requires the TV or PC to be at different locations, the Customer shall bear the additional charges associated with such request.
- 9.2 Customer agrees that TM's Equipment termination point shall be determined at the nearest main location after Fibre/VDSL2 cable point of entrance to the Installation Address. TM shall only install up to a maximum of 30 meters of fibre cable starting from the external cable entrance to the Installation Address. Connection to Customer's Equipment which is beyond the standard installation guideline is subject to charge. Please refer to <https://unifi.com.my/unifi-en/iengage/self-help.page> for TM standard installation guidelines.
- 9.3 For unifi lite, internal wiring will be dependent on the existing infrastructure in the customer's area, which will be determined by TM upon examining the said infrastructure.
- 9.4 TM will not provide Single Line Telephone (SLT) for installation of unifi lite subscription. Customers are encouraged to redeem the SLT telephone set at any TMpoint outlets nationwide

by utilizing the 3,700 TM Rewards points which will be rewarded exclusively for new unifi lite subscribers to redeem the SLT telephone set.

- 9.5 For unifi basic subscription, TM will not provide telephone set and Set-Top-Box (STB). Customers are encouraged to purchase self-own telephone set at any TMpoint or other telecommunication outlets if the Customer wish to utilize the provided voice service.
- 9.6 In the event that the Customer is not ready with the basic equipment as required in Clause 9.1 above, TM may at its sole discretion allow the Customer to defer the installation date for a period of 21 days. If after such 21 days period, the Customer is still not ready with the basic equipment, TM may in its absolute discretion cancel the Customer's Registration for the unifi Service, unless the Customer submits a request in writing to TM within the said 21-day time frame to further defer the installation date for the unifi Service and TM approves the same. Any such cancellation of the unifi Service shall be at the Customer's own cost. The Customer may reapply for the unifi Service subject to availability of the unifi Service at the relevant point in time.
- 9.7 Subject to any other provisions herein, TM shall endeavour to install the unifi Service at the Installation Address within 21 days from the date of the Registration. TM shall provide Customer with Internet Protocol (IP) address or login name and password, as the case may be, upon successful installation. In the event the installation cannot be completed within 21 days period, the installation of the Service may be cancelled and/or terminate the provisioning of the unifi Service provided that the non-completion of the installation is not due to the default on part of TM including but not limited to TM's technical or network issue.
- 9.8 In the event where TM or its authorized contractor is unable to proceed with the installation of the unifi Service at the Installation Address located within a high rise building due to building management issues including but not limited to the issues of internal wiring of the building or being denied access to the building, Customer shall be responsible to resolve such issues with the building owner or management corporation within 21 days from the date of the issues arise. If the Customer failed to resolve the issues or if TM is unable to proceed with the installation of the Service within 21 days period not due to the fault of TM, TM shall at its absolute discretion be entitled to cancel the installation and/or terminate the provisioning of the unifi Service.
- 9.9 Notwithstanding with Clause 9.5 and 9.6 above, in the event the Customer is not reachable during the first appointment date for the installation of the unifi Service, TM shall use all reasonable endeavor to arrange for another appointment date with the Customer. Upon the expiry of the 8th day after the first appointment date, the installation of the unifi Service may be cancelled by TM at its absolute discretion if the Customer is still not reachable.

- 9.10 Customer agrees that TM shall be entitled to suspend or cancel any installation of the Service at the Installation Address and/or terminate Customer's application for subscription if, in TM's reasonable opinion, the Installation Address is conducting an illegal or suspicious activity(ies) or such premises may potentially be used for any of the aforesaid activity(ies).
- 9.11 As part of TM's compliance to safety regulation by the Department of Occupational Safety and Health Malaysia (Ministry of Human Resource) on the Prevention of Falls at Workplaces (JKKP DP/G127/379/4-35 : MARCH 2007) policy, Customer has to ensure installation site is free from any danger that may cause hazard to TM. If upon assessment by TM that hazard is present, Customer is responsible to correct the situation/condition at its own cost. Should the Customer refuse/fail to correct the situation/condition, TM has the right to cancel the installation. If the cancellation/termination is attributed by the Customer, Customer shall be subjected to relevant charges, cost, penalty or credit limit rules (whichever is applicable) for the unifi Service.
- 9.12 TM will not be responsible for any damages due to building's internal wiring by building owner. Customer shall indemnify TM against any claim by any party including building owner or Management Corporation for any damage not due to the fault or negligence of TM. For any request by Customer for any re-wiring or re-installation, TM shall have the right to charge the Customer a re-wiring and/or re-installation fee for the sum of RM212.00 if it does not involved any movement of the BTU or RM318.00 if it involved movement of the BTU or such other reasonable sum as may be determined by TM from time to time.
- 9.13 Save within installation warranty period, the Customer shall bear the cost for on site support visit requested from TM at the rate of RM53.00 per visit or at such other current prescribed rate as shall be reasonably determined by TM from time to time. The charge is not inclusive of any materials or equipment replacement charges that the Customer may be required to pay TM.
- 9.14 Customer hereby allows the TM's Equipment installed at Customer's premise for the purpose of Unifi Service ("the Equipment"), to be used as an access point for public users to access TM's public WiFi service, without any additional charges to TM. Upon completion of the installation of the Equipment, TM will make available the WiFi service to public users using the Equipment. Where applicable, the Customer shall provide all reasonable assistance to TM, to enable TM's public WiFi Service to operate using the Equipment. The Customer may request to discontinue the Equipment from being used as an access point for TM's public WiFi, subject to terms and conditions that may be notified by TM from time to time.

10. Fees

- 10.1 Monthly subscription fee for the unifi Service shall be at the applicable rate indicated in the Application Form or such rates as may be prescribed and informed to the Customer by TM from time to time.
- 10.2 Monthly subscription fees shall be continuously chargeable and payable by the Customer upon connectivity of the Internet access for the unifi Service to the Customer's Equipment regardless of the usage.
- 10.3 Charges for the usage of Voice services under this Agreement will be imposed by TM to the Customer at TM's pre- determined rates.
- 10.4 Charges for value added services including but not limited to Internet Services or Voice Services or IPTV or unifi mobile shall be charged at TM's pre-determined rate or rates.
- 10.5 Fees for the unifi Service shall be payable in advance from the Effective Date. The Customer shall be liable for and shall promptly pay to TM, within the time period specified in TM's bill for the Service, all charges, fees, costs or other amounts whatsoever as shown in TM's bill, notwithstanding that the Customer may dispute the same for any reason(s) whatsoever.
- 10.6 In the event of suspension or termination of the unifi Service at any time during the Minimum Subscription Period, except where such termination arises from TM's material breach or will full default or due to Force Majeure Event, Customer shall be liable to pay to TM, in addition to all outstanding Fees and charges during suspension or termination, a sum of RM500.00 (for all unifi/unifi biz packages) or remaining months of package fee (for unifi basic), as the agreed liquidated damages for early termination.
- 10.7 In the event that the telephone line used as a medium to connect to the unifi Service is disconnected for any reason whatsoever and not attributable to willful default or gross negligence of TM, the Customer shall continuously be responsible to pay the monthly subscription fee for the Service.
- 10.8 Where Customer subscribe the unifi Service with TM's offer for free subscription fee for a duration of an agreed period but terminates the Service prior to the expiry of the Minimum Subscription Period, Customer shall be liable to pay TM the Fees for the duration of the free subscription period and any outstanding amount thereof will be included in TM's bill.
- 10.9 TM shall have the right to charge the Customer with RM26.50 processing fee per service number for any request to change the Telephone or Voice Number made by the Customer after service activation.
- 10.10 Any request for transfer of account ownership will be subject to RM10.60 processing fee.
- 10.11 Advance Payment

For unifi service application made without verification of MyKad Reader, an upfront payment of RM100 (for Malaysian citizen) and RM500 (for a customer who is a non-citizen or a permanent resident of Malaysia) will be required payable within ten (10) days effective from Effective Date. The amount will be credited into the unifi account. Depending on the billing cycle, the amount will be reflected in the first or second bill. TM reserves the right to terminate the account in the event of non-payment as per required above.

11. Payment, Billing and Credit Limit

- 11.1 In the event the amount stated in TM's bill or any part thereof remains unpaid after the due date, TM reserves the right to charge the Customer interest on the sum that remains unpaid as aforesaid at the rate of 1% per month to be calculated from the due date to the date of full payment.
- 11.2 TM will issue the bill for the unifi Service on monthly basis and the billing date will commence from the Effective Date.
- 11.3 For the purpose of ensuring that Customer will receive bill for the subscription of the Service, Customer shall be fully responsible on the accuracy of his billing address, email address and mobile telephone number as provided in the Application Form. Online bill will be made available to Customer on monthly basis via Online Customer Centre portal and Customer agrees to verify bill made available online from time to time. Customer may elect to subscribe for printed/paper bill at a fee of RM2.12 per month (charges will be implemented until further notice) or at such other fee as may be reasonably determined by TM from time to time. Customer is obligated to do reasonable inquiry in the event that Customer has not received the bill within the expected period. Customer hereby acknowledges that failure by Customer to check and verify bill via online or the non-receipt of any statement of account, bill, statement or any correspondence in relation to the unifi Service subscribed shall not be a valid reason for the Customer to withhold or delay any outstanding payments to TM. Customer agrees that statement of account as provided in the bill or any other statement of account for the subscription of the unifi Service issued by TM and the amount stated thereunder shall be conclusive evidence in any proceedings between the Customer and TM and shall be final and binding against the Customer save and except for any manifest error.
- 11.4 TM shall investigate any billing dispute by Customer if written submission of any dispute is made by Customer to TM within thirty (30) days from the date of a bill. Determination by TM of any

- billing dispute upon any reasonable investigation made and on the basis of reasonably sufficient supporting documents shall be final and conclusive upon the Customer.
- 11.5 Without prejudice to any other rights of TM, Customer acknowledges that TM may, at its absolute discretion, suspend the availability of or terminate the Service and/or place the Customer on TM's blacklist in the event of failure by Customer to pay any outstanding amount for the Service. Suspension of the Service as a result of breach by the Customer or by Customer's own election or under any of the circumstances as provided in this Agreement shall not prejudice the right of TM to continuously bill the Customer for the subscription fees and/or recover all other charges, costs, and interests due and any other incidental charges incurred during the period of suspension and Customer agrees to pay TM the aforesaid payment when due.
- 11.6 Customer agrees that TM may implement credit limit to Customer's usage of the Service subject to prior notice to Customer either by direct communication to Customer via written notice or email or notification and updates via TM's website. If implemented, Customer further acknowledges that TM may block Customer's usage of the Service once the credit usage has reached its limit. Customer further understands that credit limit as may be imposed by TM to its customers may vary with each customer. Prevailing credit limit (if any) shall be specified in the Application Form terms and conditions.
- 11.7 Customer acknowledges and agrees that in the event Customer made any over payment of any account for any services rendered by TM to Customer, TM reserve the right to use/offset any over payment amount so paid by Customer from time to time including any deposit paid, any proceeds when any bank guarantee is being called upon or, from any other payments paid by Customer, to clear any undisputed outstanding fee or charges for Customer's subscription of unifi Service or for undisputed outstanding fee or charges under any other account for other service subscribed by Customer with TM (registered under Customer's name with similar Identification Card Number or Passport Number). In the event where there is no outstanding amount under any account, TM shall refund any over payment made to Customer.
- 11.8 TM reserves the absolute right to impose payment or requirement of deposit by way of cash or bank guarantee or such other form as may be acceptable to TM. Customer agrees that deposit may be forfeited or set off or call upon by TM against any fees and other charges outstanding from Customer in the event of termination or suspension of the unifi Service due to breach by Customer of the terms and conditions herein or for the purpose of set off for any undisputed

outstanding fee or charges under any other account for other service subscribed by Customer with TM.

12. Alteration/Modification

- 12.1 Any alteration, modification, restoration, investigation, updates, enhancement, upgrades or changes to TM's network, the unifi Service or Service configuration, TM's product offerings or to any related equipment owned by TM (due to upgrades to TM's network or enhancement or change of technology, amongst other) will be at TM's sole discretion and TM has no obligation to provide the Customer with notice of such changes or enhancement.
- 12.2 In the event of relocation of the unifi Service following request by Customer, any alteration, modification, restoration, or investigation to the unifi Service or configuration is chargeable to Customer at a rate as specified in the Application Form or any other rate as may be specified by TM from time to time. Customer must notify TM prior to relocation of Installation Address. Where TM agrees to provide the unifi Service at the relocated premise, the one time fee of RM318.00 shall be imposed to Customer. Customer must ensure that TM's Equipment to be relocated is in good order and working condition and provide TM with new installation address and billing address (if applicable). TM has the right to terminate the unifi Service if TM is unable to perform relocation work as requested, for any reason whatsoever in which event, Customer will return TM's Equipment (for equipment that is still under warranty only) that comes with the unifi Service subscription.

13. Change of unifi Service Package Plan/Webhosting

- 13.1 Subject to Clause 13.2 and 13.3 hereinafter mentioned, the Customer may upgrade the unifi Service package plan during the Minimum Subscription Period.
- 13.2 Any request by the Customer for upgrades or downgrades of his unifi Service package plan at any time during the Minimum Subscription Period shall be subject to TM's written approval which approval shall not be unreasonably withheld. For any allowable upgrades or downgrades as aforementioned, installation, activation and any other applicable fees (for downgrade only) will be charged to the Customer at a rate specified by TM from time to time.
- 13.3 Customer is only allowed to upgrade or downgrade the unifi Service package plan after the expiry of two (2) working days from the installation date.
- 13.4 A new Minimum Subscription Period will be imposed (refresh) upon any request for upgrade or downgrade from any unifi VIP or unifi BIZ packages to unifi lite/advance/pro or unifi biz lite/biz advance/biz pro.
- 13.5 A new Minimum Subscription Period will be imposed (refresh) upon any request for upgrade or downgrade from any unifi VIP plans (VIP 5, VIP 10 & VIP 20) or unifi lite/advance/pro to unifi basic.
- 13.6 Customer agrees that the availability of web hosting shall be subject to the following conditions namely (a) applicable only for new domain registration; and (b) the transfer of existing domain is strictly prohibited; and (c) any request by Customer to TM for modification of domain upon its activation shall be subject to TM's prior agreement and if agreed, upon such further requirements and imposition of fee as shall be determined by TM at its absolute discretion.

14. Customer's Responsibilities
