

## SPECIFIC TERMS: UNIFI MOBILE PLAN FOR CONSUMER

20181213

### 1. GENERAL

This is our Specific Terms for Postpaid Mobile Service and it is incorporated and forms part of the **Consumer Terms and Conditions for Postpaid Mobile Service** ("Consumer T&C"). All the capitalized words in the Specific Terms will have the same meaning ascribed in the Consumer T&C.

Whether you are in the country or exploring the world, we make our plan easy and simple for you to stay in touch with your friends and family.

These are some of our limitation you should be aware of:-

#### **USAGE LIMITATION ON OUR POSTPAID MOBILE INTERNET DATA:-**

- **PEER TO PEER TRAFFIC: POSTPAID MOBILE INTERNET DATA IS CAPPED AT 64kbps.**
- **VIDEO STREAMING WILL BE AUTO-TUNED TO 480P WIDE SCREEN (BY THIRD PARTY STREAMING SOFTWARE).**
- **OUR POSTPAID MOBILE SERVICE ALLOWS YOU TO USE VOICE AND MOBILE INTERNET DATA ON YOUR MOBILE PHONE. FURTHER, YOU MAY TETHER MOBILE INTERNET DATA UP TO YOUR DATA QUOTA AS PROVIDED IN YOUR CHOSEN PLAN.**

### 2. OUR PLAN

For further information please refer to <https://unifi.com.my/mobile/postpaid>

### 3. ROAMING

Our voice and mobile internet data services plan we are giving you is exclusively for your use in our home country only and does not apply when you are Roaming. If you are Roaming, please check out the rates at <https://unifi.com.my/mobile/postpaid/roaming>

### 4. INTERNATIONAL DIRECT CALLING (IDD)

Our voice and mobile internet data services plan does not include any IDD calls made by you. If you wish to make any IDD calls, please check out the rates at <https://unifi.com.my/mobile/postpaid/idd>

5. **TETHERING FEATURE.** Our Postpaid Mobile Service allows tethering of mobile internet data up to your data quota as provided in your chosen Plan. For more information, please refer to <https://unifi.com.my/mobile/postpaid/addon>

6. **EXCEED QUOTA**

For data, once subscribed data quota depletes, you may choose to purchase Add-On data from <https://mobile.unifi.com.my/mobile/postpaid/addon> to enjoy high-speed internet. Otherwise, you may still enjoy reduced speed data browsing with no additional charges.

For voice call and SMS, once subscribed minutes and number of SMS depletes, you may choose to purchase Add-On from <https://mobile.unifi.com.my/mobile/postpaid/addon> to enjoy better rate. Otherwise, subsequent voice call minutes and SMS are charged at pay-as-you-use rate of RM0.15/ minutes/per SMS.
