1.4 When will I receive the smart device?

Your smart device will be delivered to your registered address within **21 calendar days** after the order is completed, subject to stock availability. **Please note: There is no pickup option available for this campaign - all devices must be delivered.**

1.5 How do I check the smart device delivery status?

Your smart device will be delivered by our partner, Line Clear Express.

You can track the delivery status at <https://dsp.mmag.com.my/>

Please enter your Unifi order number (without the "-"), e.g. 141205393843.

1.6 I've subscribed to a smart device. Can I cancel or return it within the contract period?

We're sorry, but cancellations or returns are not allowed during the contract period. If you're still tied to a smart device contract, a penalty will apply—calculated based on the remaining monthly balance of the smart device's Recommended Retail Price (RRP).

1.7 How much is the penalty if I terminate the plan within the contract period?

If you terminate your plan during the contract, early termination charges will be applied using this calculation formula:

$(\text{Device Recommended Retail Price (RRP)} \div 24 \text{ months}) \times \text{Remaining Month(s)}$

Example for Unifi Home Customer:

For a laptop with an RRP of RM2,950 and five (5) months remaining:

$\text{RM2,950} \div 24 \text{ months} = 122.90$

Penalty Fee: $\text{RM122.90} \times 5 \text{ months} = \text{RM614.50}$

If your Unifi Home broadband is also under contract: $[\text{Smart Device RRP} \div 24/36 \text{ months}] \times \text{Remaining Month(s)}$ **PLUS** $[\text{Current Unifi Home subscription price (before discount)} \times \text{remaining months of Unifi Home contract}]$

Example: For a laptop with RRP of RM2,950, 5 months remaining on device contract, and your Unifi Home plan is RM89/month with 8 months remaining:

- Device penalty: $(\text{RM2,950} \div 24) \times 5 = \text{RM614.50}$
- Home broadband penalty: $\text{RM89} \times 8 = \text{RM712}$
- **Total penalty: RM1,326.50**
