Upgrade Worry Free to Fibre

32. What is “Upgrade Worry Free to Fibre”?

‘Upgrade Worry Free to Fibre’ refers to a waiver of our Early Termination Penalty (ETP) charges when you upgrade your current Unifi Air 5G package to Unifi Home Broadband package.

33. How can I qualify for the “Upgrade Worry Free to Fibre”?

- To qualify for the “Upgrade Worry Free to Fibre” policy, you must ensure that the installation address for your new Unifi Home Broadband package is the same as your Unifi Air package.
- The new Unifi Home Broadband package also needs to be registered under the same owner ID as the Unifi Air package. If it is registered under different owner ID, it must be installed at the same address.

The specific criteria for eligibility may vary, so it's recommended to review our termination policies via our customer support through [Live Chat](#) or at the nearest [Unifi Store/TMpoint](#) nationwide, upon termination.
