How to Check Your Device Instalment Contract and Countdown in the MyUnifi App
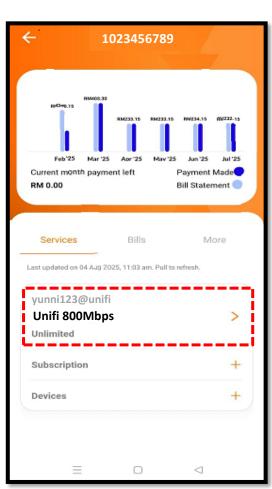

**Device Instalment Contract Countdown in MyUnifi App**

I recently purchased a device with a contract. How do I check the remaining contract period?

You can easily check your device instalment contract and see how many months are left directly in the MyUnifi app. Here's how:

1. On the MyUnifi app, go to the '**Account**' tab.
2. Select the **Unifi account** linked to your device.
3. Under the '**Services**' tab, tap on your **subscribed plan**.
4. You'll see your **device instalment contract countdown** under the package information section.

This section will display your device name, contract start date and the number of months remaining on your contract.
