16. **What do I need to know if I want to terminate the package?**

We hope that you can remain with us and do not terminate as you will lose the discount entitlement:

- Any termination of solution (eCommerce Hub / Cloud Storage / Kaspersky Small Office Security) within the contract period will impact the discount entitlement on your broadband plan.
- Early termination charges based on the existing campaign package fee for the remaining months (calculated at the price before discount) will be imposed for termination within the contract period.
- Upon terminating the solutions, your subscription plan will be changed and your broadband contract will be renewed to 24 months.
- The termination penalty will be based on the subscribed bundle as below:

No.	Category	Contract Term	Early Termination Fee (RM)
1	Unifi Business + eCommerce Hub	Unifi Business 24 months Solution 12 months	Package fee X remaining months
2	Unifi Business + Cloud Storage
