

ALWAYS HERE TO HELP YOU STAY CONNECTED

TMpoint outlets remain open to serve you

We are open nationwide except for TMpoint outlets in EMCO areas and Sarawak, in accordance with the Government's MCO and guidelines by the National Security Council (NSC).

In support of on-going efforts to curb the pandemic, only essential transactions are available:

- Service applications
- Payments
- Collection of SIM cards

We are committed to both serving our customers and protecting the health and well-being of our employees. Do ensure to follow SOPs when visiting our outlets.

Visit unifi.com.my/support/tmpoint for latest updates and operating hours.

Digital self-service channels at your fingertips

Skip the queues and no appointments needed with contactless support. Faster and easier assistance with digital self-service channels from the comfort of your own home.
