11. You can trace the parcel based on the Tracking No provided in the email.

<https://www.jtexpress.my/>

The screenshot shows the J&T Express website's tracking interface. At the top, the browser address bar displays 'jtexpress.my/track.php'. The website header includes the J&T Express logo with the tagline '— Express Your Online Business —', a navigation menu with links for Home, Services, Join Us, About, Support, Login, and Register, and a contact section with a 24-hour hotline number (1300-80-9000 / 03-92129660) and a staff member's photo. Below the header is a secondary navigation bar with buttons for Shipping Rates, Trace & Track (highlighted in red), Delivery Time, Find All Locations, and Prohibited. The main content area features the instruction 'Enter the tracking number stated on your AWB/EWB' above a large text input field. An example text 'E.g: 600000000001,600000000002' is shown within the input field. Below the input field, a red note states: 'Enter your airwaybill number (separated by comma). Available up to 10 airwaybills.' At the bottom of the form is a red button with a magnifying glass icon and the text 'Track Now'.
